

TruCleanEX

Product Data Sheet

Deck & Roof Cleaner

DESCRIPTION: TruCleanEX Deck & Roof Cleaner is a concentrated blend of highly alkaline detergents, solvent and surfactants formulated to restore the original color to wood decks while making wood shingle roofs and other wood surfaces look like new.

If necessary, add bleach to remove heavy mold/mildew stains in areas where these stains are an issue.

Ideal for use on Wood & TREX® decks, cedar or redwood decks, gutters, shingle, glazed & terracotta roof tiles, and concrete surfaces.

For pump up sprayer or pressure washer application:

- **Shake well before using. Highly Concentrated. Contractor strength formula. Makes up to 10 gallons of RTU product.**
- **Removes dirt, black streaks, mildew and algae stains.**
- **Use on Wood, TREX® Decks, Roof and Gutters.**
- **Always test in an inconspicuous area before use.**
