

TruCleanEX

Product Data Sheet

Powerfoam Degreaser Latex Paint & Stain Remover

DESCRIPTION: TruCleanEX PowerFoam is proprietary, foaming, water-based blend of biodegradable surfactants, detergents and emulsifiers formulated to remove grease, oil, tar, wax, blood, red wine, grime, fingerprints and much more... while also removing dried latex paint from water safe surfaces.

- Clings to vertical surfaces.
- Foam allows cleaner to remain on stained area without saturating surrounding surfaces.
- Removes latex paint spots.
- Formulated with biodegradable surfactants.
- Ideal carpet spot remover
