

# ODOR SHIELD

## PAINT ODOR ELIMINATOR

Neutralizes paint odor during painting and drying process.

- Use any place where paint leaves odors
- Interior/Exterior
- Great for enclosed areas
- For use in paints, stains, primers, epoxy, urethane, varnish, solvents, enamels

*See chart for dosage. >>>*

**Directions:** Mix with 1 gallon paint.

**Use 1.5 FL.OZ For:**

**Use 3 FL. OZ For:**

Latex	Stain Blocker
Oil	Pig Shellac
Lacquer	Waterproof Cmt Pnt O
Varnish	Epoxy
Oil Stain	Urethane
Wallpaper Primer Oil	Quick Dry Enamel
Wallpaper Primer Latex	Cement Stain
Solvents	Basement Sealer

**Odor Shield** does not affect adhesion, hardness, or overall performance of paint. Follow dilution chart for recommended dosage. Do not exceed recommendations as higher concentrations may cause a reaction to create odor. Follow all cautions and mixing directions as stated on manufacturers label of paint to be used.
